

28th European Scientific Conference GERPAC / ESHPT

1-2-3 OCT 2025 – Hyères - France

Wednesday 1st OCT 2025

11.00 **Participant's welcome**

12.30-14.00 **Lunch**

14.00-14.30 **Opening of the conference**

Prof Sylvie CRAUSTE-MANCIET - President GERPAC/ESHPT (Angers - FR)

14.30-15.30 **Short oral communications (1)**

Communications currently being selected

15.30 -16.00 **Eco-Conception in pharmaceutical technologies**

Prof Valérie SAUTOU (Clermont-Ferrand - FR)

16.00-17.00 **Break - Exhibition**

17.00-18.00 **Concurrent e-posters flash communications**

18.00-19.00 **Symposium**

Thursday 2nd OCT 2025

8.30-10.00 **Toward standardisation: Parenteral Nutrition in neonatology**

Southern Pacific Approach

Dr Elizabeth OLIPHANT (School of Pharmacy University of Auckland – NZL)

Speaker AUS to be confirmed

French National Approach

Dr Thierry QUESSADA (Lyon – FR)

Round table

Dr Thierry QUESSADA (Lyon – FR), Dr Martine BOULEY (ANSM - Saint Denis - FR), Dr Elizabeth OLIPHANT (Auckland – NZL)

10.00-10.30 **Feedback from:**

- **SIG workgroup: “automatization and 3D pharmaceutical printing”**

- **Real'HOPE project**

Dr Mattias PAULSSON (Uppsala Univ Hospital - SE)

10.30-11.30 **Break - Exhibition**

11.30-13.00 Concurrent Workshops

English speaking workshops

Workshop1: EU Guidance for safe management of hazardous medicinal products at work

Dr Paul SESSINK (Bjökö - SE)

Dr Brigit TANS (Leuven - BE)

Workshop on implementation of the guidance -challenges and issues.

Workshop2: Managing Extractables and Leachables in Hospital Pharmacy Practices: Challenges and Insights

Dr Philip CHENNEL (Clermont-Ferrand - FR)

Dr Laurent CARREZ, Dr William BELLO (Lausanne - CH)

French Speaking workshops (English translation on request)

Workshop 3: Microbiological environmental monitoring

Dr Frédéric MARÇON (Amiens - FR)

Dr Thomas STORME (Vannes - FR)

Workshop 4: Designing a centralized cytotoxic unit to lower RSI (repetitive strain injuries)

Dr Anne BROUARD, Virginie CHARBONNEAU, Jérémie GAUTREAU (Lorient - FR)

Dr Laurence ESCALUP, (Paris - FR)

Dr Marie-Noëlle GUERRAULT-MORO (Poissy-St Germain - FR)

Workshop 5: Training in the management of cytotoxic breakage through simulation: a team challenge

Dr Alexandra GARNIER / Dr Lucie BOUCHOUD (Geneva - CH)

13.00-14.30 Lunch

14.30-15.30 Short oral communications (2)

Communications currently being selected

15.30-16.30 Artificial Intelligence (AI) in Hospital Pharmacy and its applications to pharmaceutical manufacturing

What's AI ?

Dr Aziza MERZOUKI (Geneva - CH)

Overview of AI in Hospital Pharmacy

Prof Frédéric LAGARCE (Angers - FR)

Dr Frédéric MARÇON (Amiens - FR)

Prof Farshid SADEGHIPOUR (CHU Vaudois, Lausanne - CH)

Dr Guillaume GALY (CHU Vaudois, Lausanne - CH)

16.30-17.30 Break - Exhibition

17.30-18.30 Short oral communications (3)

Communications currently being selected

18.30-19.00 Pharmaceutical Technology Master Awards

19.00-20.00 GERPAC GENERAL ASSEMBLY (for members only)

Friday 3rd OCT 2025

9.00-10.00	Short oral communications (4) Communications currently being selected
10.00-11.00	Break - exhibition
11.00-12.00	Interactive case studies: <i>Interactive session dedicated to professional exchanges</i> Facilitators: Prof Farshid SADEGHIPOUR (Lausanne - CH) Dr Thomas Storme (Vannes - FR)
12.00-12.30	Award ceremony – Conclusion
12.30-14.00	Lunch

28th European GERPAC/ESHPT conference preliminary program
