October 6, 7 & 8, 2021 - HYERES – FRANCE

Thursday 7 October 2021	
09.00-10.00	Short oral communications (2) Moderators: F. Lagarce (Angers) – Y. Huon (Liège) – F. Sadeghipour (Lausanne)
10.00-11.00	mRNA-based vaccines Moderators: D. Brossard (Paris) – V. Sautou (Clermont Ferrand)
10.00-10.20	Industrial manufacturing D. Parsons - Moderna - Cambridge (MA)
10.20-10.40	Formulation and stability of mRNA vaccines: the pharmacist's point of view F. Lagarce (Angers)
10.40-11.00	Questions
11.00-11.30	Coffee break – Exhibition visit
11.30-12.45	Concurrent e-posters flash communications Moderators: Session A: control F. Lagarce (Angers) - I. Roland (Liège) Session B: preparation F. Sadeghipour (Lausanne) - JM Canonge (Toulouse) Session C: risk analysis, stability study, microbiological stability P. Odou (Lille) – P. Hild (Roanne) Session D: risk analysis, contamination, microbiological qualification V. Sautou (Clermont Ferrand) - G. Podilsky (Neuchâtel) Session E: training, medical devices, microbiological control, preparation Y. Huon (Liège) – P. Rohrbach (Verdun)
12.45-14.00	Lunch
14.00-14.45	Pharmaceutical Technology Master course's award and Video's award – oral presentations Moderators: D. Brossard (Paris) – ML Brandely-Piat (Paris)
14.45-15.00	Quebec ASSTSAS Guide Moderators: D. Brossard (Paris) – ML Brandely-Piat (Paris) Safe handling of hazardous drugs JF. Bussi�res (Montr�al)
15.00-16.45	Round table: Future for the pharmaceutical technologies in hospital pharmacy Moderator: S. Crauste-Manciet (Bordeaux) P. Odou (Lille) I. Kramer (Mainz) P. Le Brun (Leiden) A. Black (Newcastle) T. Schnor (Kobenhaven) T. Briot (Lyon)
16.45-17.15	Coffee break – Exhibition visit
17.15-18.15	Short oral communications (3) Moderators: F. Lagarce (Angers) – Y. Huon (Liège) – F. Sadeghipour (Lausanne)
18.15-19.15	GERPAC General Assembly (for members only) Activities and 2020 financial report

PROGRAM

24th European GERPAC Conference

October 6, 7 & 8, 2021 - HYERES – FRANCE

Friday 8 October 2021	
09.00-10.00	Short oral communications (4) Moderators: F. Lagarce (Angers) – Y. Huon (Liège) – F. Sadeghipour (Lausanne)
10.00-12.45	Hot topics 2021 Hospital Pharmaceutical Technologies Moderators: S. Crauste-Manciet (Bordeaux) – P. Odou (Lille)
10.00-11.00	Innovations in Pharmaceuticals Technologies Automated Oral Liquid Compounding Technology with Internal Engineering Controls for Hazardous Compounding J. D'Silva - Quartet RX Solution against MSD P. Freydier - Romeo O3P Dispofill System® (DFS) - Single use isolator E. Gohier - JCE Biotechnology Pre-filled syringes made of cyclic olefin copolymers for the hospital environment N. Niederwieser – Schott
11.00-11.30	Coffee break – Exhibition visit
11.30-12.30	Hot topics from French supervisory authorities H. Eychenié - Agence Nationale d'Appui à la Performance F. Lepagnol - Agence Régionale de Santé d'Ile de France V. Salomon - Agence Nationale de la Sécurité des Médicaments
12.30-12.45	Conclusions and GERPAC award for the best oral communication
12.45-14.00	Lunch
