

# Program 20th European GERPAC Conference

October 4, 5 & 6, 2017 – Giens Peninsula – Hyères - FRANCE

<b>Wednesday, October 4th 2017</b>		
<b>11.00-11.30</b>	<b>Welcome to participants</b>	
<b>11.30-13.00</b>	<b>Breakout sessions</b>	
Session 1	The hospital pharmacist and Advanced Therapy Medicinal Products (ATMPs): what is/are the right hospital pharmaceutical technology/technologies	Dr C. Bernard, Pitié-Salpêtrière Hospital, Paris, France Dr L. Escalup, Curie Institute, Paris, France Dr P. Hild, Roanne Hospital, France
Session 2	Quality management in a hospital pharmaceutical technology unit : feedback on ISO certification	Dr J-M. Canonge, University Hospital Toulouse, France Dr S. Pierrat , University Hospital Toulouse, France Y. Crétu, University Hospital Toulouse, France
Session 3	Preparation of automated doses dispensing : quality policy	Dr S. Armand, Mental Health Centre, Angers, France Dr A. Chevallier, Broca Hospital, Paris, France Dr C. Perrin, Aix en Provence Hospital, France Dr L. Perello, CDRS, Colmar, France R. Vial, Arrow, Lyon, France
Session 4	Out-sourcing in hospital pharmaceutical technology units	Dr M-L. Brandely, Paris-Centre Hospital Group, Hotel Dieu, France Pr F. Sadeghipour, University Hospital Lausanne, Switzerland
Session 5	Standard for hospital aseptic units in the UK	Dr A. Beaney, University of Sunderland, Newcastle upon Tyne, UK Dr J. Smith, Cardiff, Wales
13.00-14.30	Lunch	
<b>14.30-15.30</b>	<b>Official opening of the 20th conference</b>	Pr S. Crauste-Manciet, University Hospital Bordeaux, France Dr Y. Huon, CHU Sart Tilman, Liège, Belgium Pr D. Brossard, Paris Pr F. Sadeghipour, University Hospital Lausanne, Switzerland Dr V. Fenton-May, Cardiff, Wales
<b>15.30-16.30</b>	<b>Short oral presentations (1)</b>	
<b>16.30-16.50</b>	<b>Big data in the field of cancer research</b>	Dr A. Livartowski, Curie Institute, Paris, France
16.50-17.00	Questions	
16.30-16.50	Break and visits to exhibitors	
<b>17.30-18.40</b>	<b>Theme 1 : Training in hospital pharmaceutical technology, recent trends and future prospects</b>	
17.30-17.40	<b>The GERPAC e-learning platform</b>	Dr P. Rohrbach, Verdun Hospital, France
17.40-17.50	<b>Simulation in hospital pharmaceutical technology</b>	G. Ebelmann, WhiteQuest, Erstein, France
17.50-18.20	<b>University training. Presentation of work carried out within the hospital pharmaceutical technology Master's course</b>	Pr S. Crauste-Manciet, University Hospital Bordeaux, France Pr F. Lagarce, University Hospital Angers, France
18.20-18.40	Questions	

The plenary sessions will be hosted and moderated by Viviane Jungfer and Vincent Olivier, leading journalists in the field of health.

# Program 20th European GERPAC Conference

October 4, 5 & 6, 2017 – Giens Peninsula – Hyères - FRANCE

Thursday, October 5th 2017		
09.00-10.00	Short oral presentations (2)	
10.00-10.20	Hospital pharmaceutical technologies of the future	Pr P. Bonnabry, Geneva University Hospitals, Switzerland
10.20-10.30	Questions	
10.30-11.00	Break and visits to exhibitors	
11.00-12.45	<b>Theme 2 : Preparation and controls in hospital aseptic units, recent trends and future prospects</b>	Dr A. Beaney , University of Sunderland, Newcastle upon Tyne, UK Dr P. Le Brun, Leiden University Medical Center, The Hague, Holland  Dr F. Puisset, IUCT Oncopole, Toulouse, France Pr S. Crauste-Manciet, University Hospital, Bordeaux, France Dr L. Escalup, Curie Institute, Paris, France Dr M-L. Brandely, Paris-Centre Hospital Group (GH), Hotel Dieu, France Pr F. Sadeghipour, University Hospital Lausanne, Switzerland Pr F. Lagarce, University Hospital Angers, France Dr F. Benizri, Paoli-Calmettes Institute, Marseille, France
11.00-11.15	European resolution good reconstitution	
11.15-12.45	<b>Round table: Aseptic preparations Dose-banding-Automation/Robotic-Facilities -in-process and post-process controls</b>	
13.00-14.30	Lunch	
14.30-15.30	Short oral presentations (3)	
15.30-17.30	<b>Theme 3 : Chemical contamination studies, recent trends and future prospects</b>	Pr Ph. Barthélémy, Inserm U1212 UMR 5320 CNRS, Bordeaux University, France  Dr P. Sessink, Exposure Control, Sweden  Dr T. Connor, NIOSH, Cincinnati, USA  Pr J-F. Bussi�res, Sainte-Justine (CHU), Montr�al, Canada
15.30-15.50	Innovations in nanoparticle decontamination	
15.50-16.00	Questions	
16.00-16.30	Break and visits to exhibitors	
16.30-16.45	<b>Chemical contamination assessment: a review</b>	
16.45-17.00	<b>New methods for chemical contamination analysis</b>	
17.00-17.15	<b>Canadian multicenter study of surface contamination by hazardous drugs in health institutions</b>	
17.15-17.30	Questions	
18.00-18.45	GERPAC Annual General Meeting	For GERPAC members only

The plenary sessions will be hosted and moderated by Viviane Jungfer and Vincent Olivier, leading journalists in the field of health.

# Program 20th European GERPAC Conference

October 4, 5 & 6, 2017 – Giens Peninsula – Hyères - FRANCE

Friday, October 6th 2017		
09.00-10.00	Short oral presentations (4)	
10.00-12.00	<b>Theme 4 : Stability and interaction studies, recent trends and future prospects</b>	
10.00-10.20	<b>Stability: current situation and future prospects</b>	Pr J-D. Hecq, Dinant Godinne, University Hospital, Yvoir, Belgium Dr J. Vigneron, University Hospital Nancy, France
10.20-10.35	<b>Microbiological stability: what recommendations</b>	Pr I. Krämer, Mainz University, Germany
10.35-10.45	Questions	
10.45-11.15	Break and visits to exhibitors	
11.15-11.30	<b>Predicting chemical interactions: back to basics</b>	Dr V. Desvergnès, Inserm U1212 UMR 5320 CNRS, Bordeaux University, France
11.30-11.45	<b>Container-content interactions</b>	Pr V. Sautou, University Hospital Clermont-Ferrand, France
11.45-12.00	Questions	
12.00-12.15	<b>Artificial intelligence and Drug Interactions</b>	Dr C. Goehrs, CEO C-NAPPS, Bordeaux, France
12.15-12.25	Questions	
12.25-12.35	<b>Award ceremony</b>	
13.00-14.30	Lunch	
14.30-16.00	<b>Question and answer session</b>	Pr F. Sadeghipour, University Hospital Lausanne, Switzerland Dr G. Podilsky, CHUV Lausanne, Switzerland Dr J-M. Canonge, University Hospital Toulouse, France
16.00	<b>Closing ceremony of the 20th conference</b>	

The plenary sessions will be hosted and moderated by Viviane Jungfer and Vincent Olivier, leading journalists in the field of health.
